Packed with ETC dimming performance. Get SmartPack!

***That's ETC.***

# SMARTPACK™

THE NEW PORTABLE DIMMER PACK BY ETC

Responding to the extreme needs of the portable dimming industry, ETC brings the Sensor level of technology to portable dimmer packs with the introduction of SmartPack.

SmartPack is a great addition to an existing system or the foundation of a new equipment package for ballrooms, small road shows, church groups and community theaters!

## Extreme versatility

- Available with either six 2400-watt dimmers or twelve 1200-watt dimmers
- Rugged 19-inch 2-space rack-mount unit
- Available in virtually any output-panel type
- Multi-language capability standard
- Units are easily changed from single to three-phase operation

## Extreme functionality

- 32 programmable presets
- Sequencer with fade and hold times allows stand-alone operation
- Auto-Restart function for day-to-day operation
- Switch puts unit in Stand-by mode

## Extreme reliability

- True SCR performance
- Problem-free use anywhere
- UL, cUL LISTED and CE Marked

## Extreme technology\*

- DMX512A compatible
- Upgradeable to support RDM

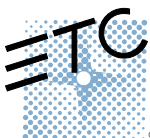

\* Patents pending

## Extreme value – SmartPack!
